Rainforest Alliance Certified™

Dreams Los Cabos received this due to its commitment to reducing impact of its activities on the planet and local communities. As a part of this alliance, Dreams Los Cabos participated in multiple events, supported organizations and cleaned up the local estuary of San José del Cabo.

Employees at Dreams Los Cabos have participated in the Telethon, a large fundraiser that supports the rehabilitation of children with various disabilities. They have also been a part of the Festival of Values, Music and Color.

In addition, the resort has supported Grandparents' Day Home of San José del Cabo and the San Miguel Grandparents' Club, two organizations that assist elders in local communities. Dreams Los Cabos employees not only donated food and clothing to these organizations, but they also graciously volunteered for them as well.

The clean-up of the local estuary of San José del Cabo was also a success, as employees joined General Directorate of the Ecology and Environment of Los Cabos to take care of the local environment. This estuary is an area frequently used for recreation by the general population, and about 90 people assisted in recovering its rich biodiversity.
